

St. Peter's 2024-2025 Handbook and Policies

Dear Families,

To help create and ensure an environment of respect and cooperation, it is important that all parents and students understand and commit to the policies and procedures of our school. These are outlined in the St. Peter's School 2024-2025 Handbook (found on the STP Website and in Sycamore). Please read it thoroughly and discuss with your child(ren) to be sure that they understand all expectations. *Your signature(s) below signify reading of the St. Peter's 2024-2025 Handbook.*

Sincerely,

Krista McGee
St. Peter's Principal

We have read and understand the policies of St. Peter's School as outlined in the St. Peter's 2024-2025 Handbook and will support the faculty, staff and administration in helping our children to meet these standards.
