

How can I donate? What should I donate?

What do YOU like to purchase at the Auction? What is one of your favorite things that others will love?

- Give an experience. Tickets to a sporting event, golf outings, vacation getaways or staycations.
- Donate items for kids: books, bikes, scooters, board games, sports equipment, dolls, puzzles etc. Ask your kiddos, they come up with the best ideas.
- Themed packages/Basket Donations: Movie Nights, BBQ items, Chiefs/Royals tailgate, collaborate with friends to get a Craft Beer package together. The options are endless!
- Getaways – We are all ready to travel! Do you or anyone you know have a vacation home or lake house that would be willing to donate time to? A weekend away or even a week-long retreat?

What services or items from your favorite places could you provide?

- Professional services – lawn/landscaping services, painting, handyman help, dog-sitting/walking, tutoring, private sports coaching.
- Gift cards for your favorite restaurant, bar, fitness center, grocery store, movie theater, salon etc.

Cash is King!

- Send a check marked "Auction Donation" with your child – and you are done!
- Consider Auction Sponsorship – Family Sponsorship or Business Sponsorship (many companies have sponsorship matching programs for their employees, let us know what information we can provide for you). Contact Leann Leavene for more info at leannpiper@gmail.com

St. Peter's Amazon Wish List

- Purchase something through the wish list and you are done – easy as that! No need to run to the store or drop anything off, it will be delivered straight to the school.
- Navigate right to our list at: https://www.amazon.com/hz/wishlist/ls/24CV7MNGUGU3B?ref=wl_share
- We have selected popular items that have historically been great silent auction additions.
- Please also remember to select STP as your Amazon Smile recipient upon checkout so that we receive the Amazon donation credit also (a two for one!!)

Class Contributions- This was so popular last year, we decided to bring it back!

- Gather together one or two other families in your child's grade and take on the role of "Class Gift Gatherer".
- Brainstorm a very unique or big ticket item to purchase with collected funds. Air Pods, a flat screen TV, wireless speakers, an electric scooter, a power wheel...if you can dream it, we will sell it!
- While this would be in addition to the \$75 value donation we request from all families, this is also a cool opportunity to add some really amazing items to our silent auction. Contact Emily Pierzchalski with any questions. eschieber@gmail.com
 - **Bonus Idea** – Do you have children in multiple grades? Volunteer to coordinate multiple class gift donations and combine your efforts. Wouldn't it be cool to see multiple classes work together to donate an even bigger item? A Rainbow Systems Playhouse? A new Home Theater System? Let your imagination be your guide.

Don't forget to fill out Auction Donor Forms. We would love to know who the Amazon Gifts, Professional Services and all generous contributions are coming from. Donor forms can be found in this packet, in the school office and online on the STP website homepage.
