

2026-2027 School Tuition and Fees

St. Peter's School is a ministry of St. Peter's Parish. Everyone who uses the service of our school shares the responsibility of providing financial resources. Active members of St. Peter's Parish pay an in-parish tuition rate for grades K – 8, which is less than the cost to educate and is subsidized by the parish. The full cost to educate a child for the 2026-27 school year is \$8731.

*Active member families: to be considered an active member of St. Peter's Parish, the following conditions must be met:

1. Registration in the parish
2. Regular participation in weekend Liturgy and holy days of obligation
3. Active involvement in some form of parish ministry or service area
4. History of ongoing financial support and stewardship at the parish (annual and/or monthly tithing donations)

If a registered person has no giving history for the 12 months prior to enrollment, they will be charged the non-parishioner rate for the term for which they are enrolling. Non-parishioners are also welcome to enroll in St. Peter's School and are charged a tuition rate that is reflective of the cost to educate.

St. Peter's offers a financial aid program for qualifying parish families who need help defraying the cost of tuition.

Aftercare Program

Registration in Aftercare is required for attendance. Due to staffing purposes and limited space for students, it is imperative that we have a commitment from STP families for Aftercare for the 2026-27 School Year. Please sign up by March 31, 2026, to ensure your spot.

Aftercare Hours are from regular school dismissal to 6:00 pm.

Registration Fee: \$50 per family

Non-refundable \$65 per week for the first child and \$50 for each additional child. (billed monthly)

Aftercare charges will be billed even if your child does not attend. The only exception will be if the child stops aftercare for the remainder of the year. Only students with full-time enrollment are eligible. Please let us know if your child will not attend. Unless otherwise specified, your child will be brought to the aftercare location at the end of the day.

Employee Student Discount

Full and Part Time employees of St Peter's receive a discount toward their children's tuition. This discount is a percentage discount on the current year's cost to educate. For 2026/2027, the cost to educate is \$8731.

- Parish and School Full Time employees receive a 100% discount toward their child's qualified tuition amount.
- Parish and School Part Time employees receive a 50% discount toward their child's qualified tuition amount.
